

WINDSONG

Friends & Family Campaign 2019-2020

Dear Windsong Intermediate Friends and Family,

A big welcome to our new Windsong Intermediate families, and welcome back to all of our returning students and families. We are looking forward to an incredible year with you as a part of the Windsong Intermediate PTO. The PTO includes parents or guardians in the school and has representatives from both administration and faculty/staff. We are steadfast in our commitment to help Windsong remain an exceptional place for our children to learn and staff to teach. To accomplish this, we are asking for your help by contributing to our Friends & Family campaign.

Our Friends & Family campaign is an opportunity for you as parents and guardians, as well as grandparents, i.e.; ALL friends and family of our students to make a tax-deductible donation to the Windsong Intermediate PTO. If you own a business locally or globally, this is also an incredible opportunity to invest in the community where you live! Funds raised through our Friends & Family Campaign help us get the year started! Our fundraising efforts are vitally important in the current climate of the state funding situation. ***Funds raised go to support teacher training and program fees, literacy development funding, classroom equipment and supplies and Science, Technology, Engineering & Mathematics Programs.*** At Windsong, we don't ask students to sell cookies or wrapping paper or participate in door to door fundraisers. The Friends & Family Campaign in combination with the Annual Fundraising Event, The Harlem Wizards and Silent Auction, are our primary source of funding.

Your donation DIRECTLY supports and benefits Windsong Intermediate School. Please take this opportunity to invest in our teachers, our campus, our community, and most importantly our children. The ability of the PTO to provide stable and ongoing support for our school and its programs is one of the qualities that makes Friendswood such a uniquely wonderful place for our students to grow and learn.

With your help we can accomplish our goals. Please take a moment to make a tax-deductible monetary donation to our Friends & Family fund so that we can enrich the educational experience of each child at such a critical time in their academic career. **You may be able to increase your donation by participating in a "Corporate Matching" program at your place of employment.** Please consider contacting your HR department to see if this is available. We are happy to help you complete the required paperwork. Information regarding donation levels and associated benefits for your family is enclosed along with a donation form. ***You can return the completed donation form and check to the front office by December 19th to receive all the benefits.***

Thank you so much for your kind consideration. Attached is a description and further information regarding our Annual Fundraising event with the Harlem Wizards as well as a Donation Levels and Form to complete. We hope to hear from you soon.
